Payment Schedule and Notes

Deposit of US\$500 and completed, returned Application Form secures a place.

Deposit is non refundable after February 1 as we have to make payments to secure our booking. Therefore effect your travel-cancellation insurance policy early.

Balance of Payment due April 15, 2006.

Credit Card payment costs us 3% which we have to recover. We much prefer your payments to be made by a transfer to our US dollar account. Account details will be supplied in due course.

We showed costs in NZ dollars for the longest time. Big swings in the US:NZ rates on several occasions have caused clients uncertainty and us, sometimes, loss. Reluctantly we have finally switched to US dollars.
